

5th Annual LA Conference on Computational Biology & Bioinformatics

*“ Building a Health Information Technology Vision
and Strategy for the Future of Louisiana ”*

A presentation by

Dr. Esteban Gershanik, MD

Xavier University

Convocation Center Annex Building

New Orleans, LA

April 7, 2017

3:30 PM – 4:30 PM

Dr. Esteban Gershanik is the Louisiana Department of Health and Hospitals Chief Information Officer and Director of its Bureau of Health Informatics. He previously served as the Process Care Redesign Clinician for Partners Healthcare, Medical Director of the Hospital Medicine Units at Brigham and Women’s Hospital, and core member/co-investigator of the AHRQ-funded Patient Safety Learning Lab leading efforts in Health Information Technology (HIT) tools and process solutions for the optimization of their electronic health records and broader healthcare delivery initiatives around process care redesign, patient experience and quality and safety.
