533 Bolivar Street, Room 563 – New Orleans, LA  
LSU Health Sciences Center School of Medicine  
(Video Conferencing Available Over Access Grid)

**Objectives:**

**At the conclusion of this session, the participant should be able to:**

- Evaluate the role of cancer stem cells in therapeutic resistance.
- Understand the role of cancer stem cells in disease progression.
- Evaluate therapeutic approaches targeting cancer stem cells.

**Parking:** Self-Pay Parking for visitors is available on the ground floor of the Roman Street Parking Garage (between Tulane Ave. and Gravier St.)

**Directions:** Enter CSRB through the 3rd floor of the Roman St. garage. Pedestrians may use entrance located in front of 433 Bolivar St. (between Tulane Ave. and Gravier St). Follow signs to CSRB, 5th floor.

**Accreditation**

LSU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

**Designation**

LSU School of Medicine designates this educational activity for a maximum of 1 AMA PRA Category 1 Credits TM. Physicians should only claim credit commensurate with the extent of their participation in the activity. LSU School of Medicine presents this activity for educational purposes only and does not endorse any product, content of presentation or exhibit. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected because of their recognized expertise.

**Disclosure Policy**

It is the policy of Continuing Education at LSU School of Medicine to plan and implement all of its educational activities in accordance with the ACCME's Essential Areas and Policies to ensure balance, independence, objectivity and scientific rigor. In accordance with the ACCME's 2004 Standards for Commercial Support, everyone who is in a position to control the content of an educational activity certified for AMA PRA Category 1 Credit TM is required to disclose all relevant financial relationships with any commercial interests within the past 12 months that creates a real or apparent conflict of interest. Individuals who do not disclose are disqualified from participating in a CME activity. Individuals with potential for influence or control of CME content include planners and planning committee members, authors, teachers, educational activity directors, educational partners, and others who participate, e.g. facilitators and moderators. This disclosure pertains to relationships with pharmaceutical companies, biomedical device manufacturers or other corporations whose products or services are related to the subject matter of the presentation topic. Any real or apparent conflicts of interest related to the content of the presentations must be resolved prior to the educational activity. Disclosure of off-label, experimental or investigational drugs or devices must also be made known to the audience.

*Supported By:*
